**6. Additional Information for the following projects:**

➤ **“Procurement of Consultancy Services for the Conduct of Comprehensive Structural Integrity Assessment / Evaluation and Investigation of the Four-storey Reinforced Concrete MiB Building-ITDI”**

- Should there be necessary permits to conduct non – destructive testing, the contract is inclusive of cost and processing of the permit
- The Geotechnical Report and Compressive Test report will be provided to the shortlisted consultant. However, the contract is inclusive of other or additional tests, if necessary, to conduct a comprehensive structural integrity assessment/ evaluation and investigation of the four-storey reinforced concrete MiB Building, and to provide recommendations to ensure it’s structural integrity, durability and safety of the building occupants.
- As indicated in the TOR, non-destructive testing of structural elements but not limited to testing of actual structural strength of columns, beams, slabs and footings as prescribed by the structural engineer consultant
- Consider all structural members if necessary. Based on the TOR, the general objective for the hiring of consultant is to conduct a comprehensive structural integrity assessment/ evaluation and investigation of the four-storey reinforced concrete MiB Building, and to provide recommendations to ensure it’s structural integrity, durability and safety of the building occupants
- All plans and layout will be sent to the shortlisted consultant via google drive

***\*Only those technical specifications indicated herein will be changed, those that are not mentioned will be retained as indicated in Section VII of the Bidding Documents.***

Issued by:

  
**ENGR. APOLLO VICTOR BAWAGAN**  
ITDI-BAC Chairperson, Sub. Com. for Infrastructure
