Supplier: INSTRUMIX SUPPLIER, INC.		P.O. No.: 2019-02-0074 (GFE)	
Address: Unit 433/134 CityLand Posing Tasho Tower 2219 Don Chino Rapon Ave. Makati City		Date: February 11, 2019	
TIN: _____		Mode of Procurement: Public Bidding	
Gentlemen: Please furnish this Office the following articles subject to the terms and conditions contained herein:			
Place of Delivery: Metrology Building (not later than 4:00 pm)		Delivery Term: 120 days	
Date of Delivery: _____		Payment Term: _____	

Stock/ Property No.	Unit	Description	Quantity	Unit Cost	Amount
	set	Equipment Table, epoxy coated table top	1		
	set	Tool kit (includes wrench, syringe for bubbles removal, etc.)	1		
Country of Origin: JAPAN Warranty: Warranty of Three (3) Years on parts and service which shall commence after the equipment was turned over to the customer in perfectly running condition. Defective parts and faulty materials will be replaced FREE OF CHARGE . However, non compliance to the operation manual of the equipment and improper handling voids the warranty. Preventive Maintenance is included in the warranty and replaceable consumables is included during preventive maintenance. Installation and commissioning: Equipped with at least one (1) factory trained engineer and application chemist for preparative HPLC. With instrument installation, commissioning and initial operation by the supplier's technical engineer/application chemist, free-of-charge, and that also includes certificates of installation qualification, operational qualification and performance qualification (IQ/OQ/PQ). Instrument will be installed one (1) month after delivery or earlier if installation requirements were complied. Training: Initial local training by local application chemist to cover Preparative HPLC sample preparation, instrument operations and maintenance for the purification of standard or crude material. Training will be done within one (1) month after installation.
