## HARMONIZED GENDER AND DEVELOPMENT GUIDELINES (HGDG) TRAINING WORKSHOP

On March 21, 2024, the ITDI GAD Focal Point System conducted a "Harmonized Gender and Development Guidelines Training Workshop" at the STD Conference Room. Dr. Janet F. Quizon, OIC of the Office of the Deputy Director for Administrative and Technical Services, graced the activity. In her welcome remarks, she emphasized ITDI's commitment to becoming a gender-responsive institute through the conduct of capacity-building activities like this.

Mr. Admer Rey C. Dablio, Chairperson of the ITDI GFPS TWG, served as the moderator of the activity and discussed the rationale behind the training. Esteemed resource speaker Atty. Judie Rose T. Dimayuga expounded on the context of the HGDG and the significance of the tool in ensuring the gender responsiveness of a program or project from the design and identification stage, implementation, management and monitoring, and evaluation.

Various ITDI employees, including GAA/GIA Project Leaders, Project Technical and Support Staff, as well as GFPS members, were capacitated in GAD.
