

## **DOST-ITDI, ZAMCOR INK MOA FOR PET CARE, BETTER SOAP PRODUCTS**

ZAMCOR Soap and Detergent Manufacturing, which produces various home care products as dishwashing liquids, liquid soaps, and others, has teamed up with DOST's Industrial Technology Development Institute (ITDI) for the contract research project, "Development of Pet Shampoo and Pet Deodorizer and Analysis of Existing Detergent, Soap, and Cleaning Formulations".

Led by its President, Ms. Mellany Zambrano, ZAMCOR signed the Memorandum of Agreement with ITDI Director Dr. Annabelle Briones, along with ITDI Deputy Director for R&D Dr. Christine Marie Montesa and ZAMCOR's Administrative Supervisor Ms. Jessica Garado. Also present at the event were Special Guest Dr. Diana Ignacio, Assistant Secretary for Administration and Legal Affairs, as well as ITDI Deputy Director for Administrative and Technical Services Dr. Zorayda Ang, Chemicals and Energy Division (CED) OIC Engr. Apollo Victor Bawagan, CED-Pharmaceuticals Section Head Dr. Elizabeth Panerio, and other staff from ITDI and ZAMCOR.

ZAMCOR, based in Ortigas, Pasig City, is a manufacturer of soap and soap-based home care products. Among their innovations is Sabon Express, a franchisable store chain which features a hygienic soap refill dispenser system. With the help of ITDI and CED, ZAMCOR aims to develop pet shampoo and deodorizer formulations as well as analyze their current lineup of home care products.

To further collaborations, ZAMCOR!
