

DOST'S ONELAB SIGNS UP EUROFINS THAILAND AS NEW 7TH INTERNATIONAL MEMBER

Eurofins Thailand was signed up as DOST's OneLab 7th newest international member after passing the membership eligibility check conducted by the LabOne project team on September 22, 2023.

The OneLab project team visited the Eurofins Food Testing (Thailand) Co., Ltd. in Chatuchak, Bangkok and favorably assessed its facilities and technological capabilities. Today, they became the second international laboratory from Thailand with SGS (Thailand) Ltd. being 1st. Currently, OneLab has six international and 56 local members.

Standards Testing Division Chief Ma. Rachel V. Parcon was accompanied by STD's Quality Manager and OneLab Project Coordinator Admer Rey C. Dablio and Isaiah U. Sta. Ana during the onsite visit.

Eurofins Thailand is an ISO/IEC 17025:2017 accredited laboratory of Thailand's National Bureau of Laboratory Quality Standards (BLQS). It offers testing services to measure allergens, dioxins, furans, and dioxin-like PCBBs (polychlorinated biphenyls), among others.

The DOST OneLab is a network of testing and calibration laboratories that aims to ensure availability and broad public access to testing and calibration services at a single touchpoint through an IT-based platform. It is co-led by ITDI Director Dr. Annabelle V. Briones as RDI Cluster Head. (STD; AMGuevarra, DDGotis\ TSD)
