

## DOST-ITDI food processing facility on wheels showcase at PAASE Symposium Exhibit

On July 15-16, 2024, the Industrial Technology Development Institute of the Department of Science and Technology (DOST-ITDI) joined the Philippine-American Academy of Science and Engineering (PAASE) Symposium Exhibit held at the Baker Hall of the University of the Philippines Los Banos.

ITDI featured its Food Processing Facility on wheels, tagged as FoodtrIP which is equipped with the four processing modules for frying, drying, thermal processing, and aseptic processing.

The DOST has been a loyal supporter of PAASE.

PAASE is a non-profit organization composed of scientists and engineers of Philippine descent who have distinguished themselves in scholarly and research-related activities. PAASE was founded and incorporated in the US State of Indiana on April 23, 1980.

PAASE aims to promote the advancement of science, engineering & technology; encourage collaborative work among scientists & engineers of Philippine descent in research and development through scholarly and scientific endeavors; support efforts that advance science & technology; and recognize and honor the achievements of scientists and engineers of Philippine descent.
