

## DOST-ITDI joins MMDA'S Road to Zero Waste Summit with SWM innovations

DOST-ITDI joined the Metro Manila Development Authority's (MMDA) move to reduce waste through the Road to Zero Waste Summit held on November 10-11, 2024 at the UNILAB's Bayanihan Center in Pasig City.

Themed "Closing the Loop Towards a Circular Economy," ITDI featured waste management system innovations such as plastic pyrolysis, portable biogas digester, bioreactor, dual-drum composter, and household tumbling composter. It also offered training on waste analysis and characterization study (WACS).

In one of the plenary sessions, ITDI's Engr. Reynaldo L. Esguerra, Officer-In-Charge, Office of the Deputy Director for Research & Development and Chief of the Environment and Biotechnology Division, shared his expertise and knowledge in waste management.

DOST-ITDI supports the government's effort to reduce waste and sustain a healthy and safe environment for the good of the earth and mankind. (DDGotis\\TSD-ICOW; Photo credits: DOST-ITDI Updates)
