

## Nation Builders and MOSLIV Award DOST-ITDI Briones as Honorary Public Servant of the Year for Excellence in Governance and Strong Institutions

Joining the celebration for excellence in sustainability and governance was the Department of Science and Technology-Industrial Technology Development Institute's (DOST-ITDI) Director Annabelle V. Briones who was honored as one of the Honorary Public Servants of the Year for Excellence in Governance and Strong Institutions during the 8th Nation Builders and MOSLIV Awards Night, which took place on March 21, 2025, at the Grand Ballroom of Okada Manila.

Inspired by Technology. Driven

Alongside Dr. Briones was Atty. Marion Ivy D. Decena, CESO III, Director of the DOST-Technology Application and Promotion Institute, also received the same honorary award.

The event recognized and celebrated changemakers, leaders, individuals, and organizations that made significant contributions to society and the nation's progress.

Congratulations, Dr. Briones! (DDGotis, TSD-ITDI; Photo Credits: DOSTph)
