

DOST-ITDI transfers technology for Ready-to-Eat Quail Eggs to Quailterrific Manufacturing Corporation, inks a technology licensing agreement

Newly signed technology licensing agreement presented by Dr. Annabelle V. Briones, ITDI Director, and Mr. Denrick V. Alcaraz, President/Chairman, Quailterrific Manufacturing Corp. (seated in the middle), together with the witnesses.

Quailterrific Manufacturing Corporation, a private entity in Pulilan, Bulacan, inked a technology licensing agreement (TLA) with the Department of Science and Technology-Industrial Technology Development Institute (DOST-ITDI) and DOST-Regional Office III, Central Luzon, to produce and commercialize shelf-stable and ready-to-eat Quail Eggs.

The signing happened on June 11, 2025, at the KM-STICA Building, DOST-ITDI, Taguig City, as both parties endorsed the agreement.

With the TLA, Quailterrific is now authorized to produce and market DOST-ITDI's Ready-to-Eat (RTE) Quail Eggs, entrusting the department's and institute's technological innovations to capable partners and serving the needs of the industry and consumers.

Key signatories of the TLA were Quailterrific Manufacturing Corporation's President/Chairman, Denrick V. Alcaraz, DOST-ITDI's Director, Dr. Annabelle

Inspired by Technology, Driven by Innovation

Briones, DOST-Region III Director, Dr. Julius Caesar V. Sicat, with the presence of Dr. Janet Quizon, Deputy Director for Administrative and Technical Services, Engr. Reynaldo Esguerra, Officer-in-Charge, Office of the Deputy Director for Research and Development, Dr. Rommel Belandres, Officer-in-Charge, Food Processing Division, and Mr. Ronn G. Catindig, Treasurer/Secretary, Quailterrific.

This new partnership opens new doors for those looking for a business venture in the food industry, propelling the country's socio-economic progress as the product enters the market. (//DDGotis, ITDI-TSD, Photo credits: RRUDelaCruz, ITDI-TSD)
