#EMBRACEEQUITY: DOST ITDI'S STAND FOR INTERNATIONAL WOMEN'S DAY

Look: DOST-ITDI personnel do the **#EmbraceEquity** pose as support to the International Women's Day 2023.

In line with the celebration of the Women's Month 2023, and in support to the International Women's Day with the theme which is the **#EmbraceEquity**, various ITDI personnel wearing the Women's Month shirt do the **#EmbraceEquity** pose to signify their support to the advocacy.

The aim of the IWD 2023 **#EmbraceEquity** campaign theme is to get the world talking about Why equal opportunities aren't enough. People start from different places, so true inclusion and belonging require equitable action.

We can all challenge gender stereotypes, call out discrimination, draw attention to bias, and seek out inclusion. Collective activism is what drives change. From grassroots action to wide-scale momentum, we can all **embrace equity**.

Forging gender equity isn't limited to women solely fighting the good fight. Allies are incredibly important for the social, economic, cultural, and political advancement of women.
